DIVISIONS

The creation of leagues and the availability of divisions within leagues is dependent on the number of teams registered per session. Groups may be combined to form leagues. It is our goal to put together divisions that provide the best competition for all teams involved. FSA reserves the right to promote or relegate a team from one division to another after the completion of each session. At the time of online registration you will be able to select one of the options below to help us better place your team.

Highest Level – Experienced/competitive

Middle of the Pack – Intermediate/competitive

Lowest Level – Beginner/little experience

SCHEDULES

League schedules will be posted online one week prior to the start of the session. Due to unforeseen issues with scheduling, some changes may be necessary after the initial posting. As a general rule you should check your online schedule prior to each game to insure your team has the most current game information. **Projected Schedule information is available on the website.**

ROSTER/WAIVERS

Participants will need to submit waiver/roster information for the registered team they are associated with. Your team will need to complete roster information for each session your team plays in. If you do not have the necessary waivers on file you will be prompted to complete them. Waiver information only needs to be completed once per year (August 1 - July 31).

Please visit the "Submit Waiver & Roster Info" section on the website.

REGISTRATION

Please register online at www.fsasports.com. **All registrations must be accompanied by the \$500 deposit in order to secure your spot.**

Please be aware that programs could sell out prior to the deadline. Late registrations will be accepted on a case to case basis provided there is room remaining in the program of interest. Late registrations will be charged a \$50 late fee.

UNIFORMS

Please be aware that uniforms are not provided as part of your team registration. All teams must wear coordinating, numbered shirts. An alternate shirt must also be supplied in the event of a color conflict (home team changes).

PAYMENT

We accept most major credit cards. Accepted credit cards include Visa, Master Card and Discover. No partial individual credit card payments will be accepted.

Once payment is received for the registration and availability is confirmed, we will move them into the registered group of teams.
